- Private itineraries across Greece, Cyprus and Malta: 25 to 40 a year, usually 7 to 12 days long.
- Handles every request end to end: a needs interview, a written proposal, a day-by-day itinerary and all the bookings.
- Books hotels, licensed guides, private drivers, yacht days, ferries and domestic flights for programmes with several stops.
- Writes the final trip book (contacts, transfer times, confirmations) and reconfirms every service a week before arrival.
- Records dietary needs and mobility limits, checks visa rules, and adds a café and taverna list for each stop.

24/7 On call during every trip as the clients' single contact with local suppliers.
